Headteacher: Mrs A Dunn

7<sup>th</sup> June 2019

Dear Parents/Carers,

As part of our PSHCE unit in Year 6, we are obligated to provide several sessions on Sex and Relationship education. The content of this unit of work will cover:

- Changes that happen to the body during puberty
- How babies are made
- How babies are born
- Girl and boy talk (separate sessions led by a male and female member of staff)
- Love and relationships
- Keeping your body safe

If any parent or carer would like to view the material that will be delivered during these sessions, please feel free to attend a short viewing session / discussion opportunity, after school at 3:40 on Thursday 13<sup>th</sup> June.

Please note, this content will be taught in same-sex classes by a teacher of the same gender.

If you are averse to us showing these resources to your child, please contact your child's class teacher as soon as possible or write a note in their planner.

Many thanks for your support,

Mr Shuttleworth and Miss Stone  
Year 6 teachers
