12th June 2019

Dear Parent/Carer,

On Thursday 20th June photographers from Abbey Multi Academy Trust will be coming into school to take our 2018/19 class photos.

For your child to take part in the class photos then we need to have your consent for a couple of purposes. **If you do not provide consent to either of the options on the consent form then your child will not be included in the class photo.**

Due to the quick turnaround for us to obtain your consent we have a couple of options available for you to return consent. You can either complete the consent form at the bottom of this letter or complete an online form. The online form can be found on our website under Students > Class Photo Consent & will be also shared on social media.

The Trust uses an online portal for the purchase of photos. Your child will be provided with another letter after photo day with details on how to access the class photos and a code to access that class. The Trust has researched into pricing of school photos and believe they are able to offer very reasonable prices across a number of packages, information of this pricing will be available when logging onto our online portal.

If you have any questions then please email digital.services@abbeytrust.org

Kind regards

Ashleigh Dunn

Headteacher
