Dear Parent/Carer

11th September 2019

As part of our next half term Topic, **'Moon Zoom'** we will be learning about space. On Wednesday 20th November we are planning to get a 'Wonder Dome' in school which is a mobile planetarium. This would be an amazing hook for our children to inspire them and encourage them to learn about our new topic. The dome will feature the planets in our solar system, the size of the universe, space travel, earth, the sun and the moon.

Before this can be officially booked, we will need to ensure all payments are received before we can confirm the 'Wonder Dome'. The cost for each child to attend would be £5 and we would need the money no later than 27th September. If we find that we are unable to get enough funds for this experience, we will not be able to offer these experiences or trips in the future.

We would prefer payment to be made using the Parentpay system. If you need your activation codes, please speak to the school office.

Please sign and return the attached reply slip. If you have any questions, please don't hesitate to talk to your child's class teacher.

Yours sincerely,

Year One Team

To: Mr Gatman / Mrs Johnson

Child's name _____ Class _____

I have paid £5 by Parentpay []
