28th January 2020

Dear Parent/Carer

On Friday 7th February we will be raising awareness of the Children's Heart Surgery Fund (CHSF).

All pupils are invited to wear red accessories with their normal school uniform (hair accessories, socks, tights, ties etc.)

Children's Heart Surgery Fund provides support for children and adults born with congenital heart disease, and their families. Working alongside the Leeds Congenital Heart Unit at Leeds General Infirmary, we fund ground-breaking new equipment, resources, training, and research, as well as offering support for patients and their families whenever they need it.

Over 400 children and adults from Yorkshire & North Lincolnshire need open heart surgery every year and over 17,000 are treated as outpatients. We aim to ensure that these children and adults have the best possible support and to help their families however we can during their stay in hospital.

More information can be found by following this link <https://www.chsf.org.uk/wear-red-day/>

Please note that this is a raising awareness day and we are not asking for donations. If any donations are sent in then they will, of course, be passed on to CHSF.

If you have any questions, please do not hesitate to contact the school office.

Yours sincerely

Shelley Bambrook
Administrator
