

Lightcliffe CE Primary School

Mobile Phone Agreement

The school does allow children in Year 5 and Year 6 to bring mobile phones into school as we recognise that children of this age may be encouraged to be more independent and, therefore, need the security a mobile phone can bring.

If your child wants to bring a mobile phone into school we ask that they follow these rules:

- The phone is switched off in the school building and only used off the school premises;
- The phone is clearly named — not on any cover/case but on the phone itself;
- Your child hands their phone into the school office at the start of the day;
- Your child collects their phone from the office each evening;
- Camera phones must not be used in school at any time.

If you accept these conditions please sign below and return this form to school as soon as possible.

I agree to the conditions set out above and understand that the school does not accept responsibility for any loss of, or damage to mobile phones in school.
