

SWIMMING AT LIGHTCLIFFE CE PRIMARY

In accordance with the National Curriculum, schools must provide swimming instruction either in Key Stage 1 or Key Stage 2.

The programme of study for PE sets out the expectation that pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- perform safe self-rescue in different water-based situations

At Lightcliffe CE Primary School our two year 4 classes receive swimming sessions for half a year each. Instructors working for Calderdale LEA. teach the children and they work towards Calderdale's awards programme.

We have five children in our current year 6 cohort who were not on roll when the cohort went swimming in year 4, we did not receive data from their previous schools as to their swimming levels. We will address this issue in the future.

The six children who did not achieve the National Curriculum Award but did attend swimming with us achieved levels within the Calderdale swimming scheme.
