12 July 2019

Dear Parents/Carers

Next week as part of our Design Technology curriculum, Year 3 are making a Sensational Salad to bring home and enjoy. For this activity, they will need a small, lidded take-away container.

We are aware that there are some dietary requirements, but please advise us if there have been any changes.

Please note we are using vegetables/salad ingredients only – no dairy, fruit, nuts, meat or fish.

Children will be encouraged to try items if they wish to, and they will have a choice of a range of different ingredients from which to make their salad.

3AH will need their containers on Monday.

3HW will need their containers on Tuesday.

If anyone has a spare container, this may be helpful for someone who may forget on the day.

Thank you.

Yours sincerely

Mrs Hustler and Mrs Wood
