

Friday 28th August 2020

Dear parents and carers,

I am delighted to write to you for the first time as the new Headteacher of Lightcliffe Primary School. As we move closer to the end of the summer break, I wanted to update you with our plans for all children to return to Lightcliffe Primary school in September. Accompanying this letter is a 'Return to school' booklet that will answer many of the questions you may have as well as a short video which has been posted on our school social media sites, highlighting some of the key messages. I wanted to assure you that our plans have been shared and agreed with senior leaders at the Abbey MAT as well as with our governing body at Lightcliffe Primary School.

Back in July, you received a letter containing the arrangements and timings for arriving at school in the mornings and leaving on afternoons. The letter also identified which day each year group would be returning to school. These arrangements have been included on the reverse of this letter. We have received some communication from parents over the summer break regarding these arrangements and during the next week, we will contact those parents directly to discuss the issues they have raised.

If you would like to discuss any aspects of this letter or the guidance you have received today, please do not hesitate to get in touch admin@lightcliffeprimary.co.uk.

The last few months have been incredibly challenging for everyone in our school family and I am delighted to see how well everybody united to ensure some children returned to school in June and July. The days, weeks and months ahead are going to require us all to work together, as a school family, for the benefit of our children, to ensure that they are safe at school, enabling them to thrive.

I am incredibly proud to be given the opportunity to lead Lightcliffe Primary School and begin the next chapter in its history. I look forward to meeting many of you for the first time in the coming weeks.

Thank you for your support.

Yours sincerely,

Mr Hilton

Headteacher
