PRAIRIE CAPITAL ADVISORS, INC. OPENS CHICAGO OFFICE

CHICAGO, IL – March 21, 2013 – Prairie Capital Advisors, Inc. a leading corporate advisory and investment banking firm today announced it has established a new office in downtown Chicago. The new office, located at 125 S. Wacker Drive, Suite #300, will be managed by Terry Bressler, Managing Director. The Chicago office marks an expansion by Prairie Capital Advisors to better serve and support the Firm’s professional network of attorneys, wealth managers, lenders, private equity funds and other deal professionals and maintain optimal relationships with existing clients in a central location.

“We’ve been experiencing tremendous growth in our investment banking, ESOP and business valuation practice areas and wanted to make the expansion to downtown Chicago to continue this growth. Having an office and professionals in downtown Chicago is a solid fit with our existing Oakbrook Terrace Headquarters and consistent with our long term business plan,” said Ken Serwinski, CEO of Prairie Capital Advisors. “With the addition of Terry Bressler to our investment banking group in November 2012, we were able to add to our business development activities and investment banking execution capabilities to expand our footprint within the Chicago market.”

About Prairie Capital Advisors

Prairie provides investment banking, ESOP advisory and valuation services to support the growth and ownership transition strategies of middle-market companies. Headquartered in Oakbrook Terrace, with offices in Chicago, Atlanta and Cedar Rapids, the company is experienced in structuring all types of highly customized ownership transition strategies.
