

Saga Print Out Sheets

We have adapted Saga World Builder to pen and paper print-it-yourself sheets. The sheets are optimized for A4 and US Letter formats. It's super easy. Just print them out, cut at only one line and you're ready to play! Every Saga Print Out Sheet fits perfectly to the Saga World Builder system and comes with several cut-out objects. Visit www.sagaworldbuilder.com for more sheets and more information.

The advertisement features a black and grey printer on the right side. In the center, a sheet of paper is shown with a grid pattern and a cut line. A pair of scissors icon is positioned to the left of the sheet. The text is arranged in a vertical flow, with the main headline at the top, followed by the printer, the sheet of paper, and the final headline at the bottom. The website URL is located at the bottom right of the advertisement.

You can print on A4 and US letter paper. Please always print in 100% scale.
