

Senior Golfers,

We are in the homestretch of this the 52nd year of the SL Senior Golf organization.

Here are some things to note:

First, put September 18th on your calendar for the Farewell to Snowbirds dinner and awards night. Once again Peter Smith and Joe Casey will MC the event and among other things award the "Sandbagger of the Year" and "Leading Money Winner" awards - and much more. Sign-up sheets will be posted later this week on the Men's' locker room bulletin board.

The senior golfer website page is now complete. Reminder - to find it: sign into the Spring Lake Golf website; click on Golf; and then on Senior Men. You will see General, Schedule, Results and Money Leader tabs with current information.

Bob Giunco has updated the Leading Money Leader list (which you can see on the website). Coming into the final weeks it is neck and neck with Jerry Saluti and Mike Sawyer lead with Walter McGowan \$10 behind. Tony Graziano has volunteered to send out the 1099s.

Hats off to Marc Reed who finished as runner-up in the Derby this past weekend. He took it to the last hole in the Final match. Who says old guys can't ball.

Finally, Bill Bryan reports that thus far this year we have had 20 new men join our Senior group to bring us to an amazing total of 138 members in this 52nd year - second totals only to last year's record breaking 139 members (23 new) and we still have 5 weeks to go this year. I cannot imagine that there is a more robust Senior group in the State. Hats off to all the Seniors "recruiters" who have driven the growth in the past several years.

Rich Cundari
