

Senior Golfers,

As we progress through this very trying year, here is a brief update and outlook for the Senior Golf Program.

To date Bill Bryan reports that we have had 110 active participants in our Wednesday events, and we have added 12 new members this year. Bill manages the participation and enrollment and says our program is the largest in the state. As you know, weekly results and year-to-date money leaders are posted on the Club website under Golf/Senior Men/Results/Money Leaders.

We continue to employ tee time starts (as opposed to shotguns) during the pandemic to avoid the congregating that would result from shotgun starts. Note that per Matt, there may be a Wednesdays or two in late September and early October which, due to scheduling matters, might require a shotgun start. That will be communicated by Mike Young if it occurs, so be aware and if you are uncomfortable with that situation of course don't sign up.

The SLGC Seniors have always given gratuities to staff members that assist our program and make contributions to local charities. In light of the current coronavirus difficulties, the Spring Lake Senior Golfers Executive Committee has voted to establish a Senior Sponsored Assistance Program to supplement the funding we normally provide to the club staff members who support our program and to local charities. Twenty dollars will be charged to the club accounts of active Senior Golfers and will appear on September club statements.

In normal times, we would be having our "Farewell to Snowbirds Dinner & Awards" on September 16th. It is still "possible" that we that we may hold it under the tent with appropriate social distancing. The event would not be like prior years but would provide an opportunity to get together for awards and honors. And maybe even have Joe Casey dazzle as emcee. It would be helpful to know how many of you might be interested in attending. Drop a quick note to Tom White at navy61@optimum.net if you would be interested. We will keep you posted.

Mike Young continues to do an outstanding job with communications and organizing. It is a big job and without his efforts we could not have such a successful program. Thank you, Mike.

Play well, play fast, stay healthy,
Rich Cundari
