

Senior Golf Gents,

Short note:

Tom White asked me to pass along the fact that next Wednesday (9/16), is the finish line for the Leading Money Winner Title. Since \$50 is the top weekly prize there are only three horses left in the race for number one: Leaders after (9/9) are - 1) Wayne Patterson \$295, 2) Tom Ferguson \$275, and 3) Tom White (his self) at \$250. We ask that galleries for the final day of Money Title competition observe social distancing.

More news from Tom: "We have had 3 Seniors shoot their age or better in the last few weeks. Frank Gerard - 93, and this past Wednesday, Tom Ferguson - 78 and Peter Tsairis - 80 (age 81!)." If there have been any more age shooters this season, pass the news along to Tom at navy61@optimum.net.

Note that even though the money title race wraps up next week, there will still be 3 more Wednesday Morning Events remaining after that.

Play well, stay healthy,

Rich Cundari

"Golf is a game, invented by God to punish guys who retire early." (somebody)
