

Larry Jones

Born in Jackson Mississippi attended Jim Hill High School. Upon graduation from high school, I joined the U.S. Army and rose to the rank of E-5 (sergeant) and served in Germany as a member of the motor pool. Upon leaving the military I came to San Diego and began my career with Pacific Bell as a telephone repair and installation worker for 17 years before retiring.

After retiring from Pacific Bell, I returned to Mississippi and went to work in the Mississippi House of Representatives as a Porter for the next 5 years. Longing for the sunshine and blue skies of the West Coast, I returned and completed a few courses in Art History at the Educational Cultural Center, and in 2013 was hired as an Industrial Engineer and grounds keeper, this has for me been one of the most fulfilling experiences yet.

In 2016, I met Elizabeth Lewis, we were later married and have enjoyed each other ever since. I am a father of three, lovely children, Larry Jones jr, April Harper, and Teleza Jones. As a member of Holly Drive Leadership Academy family, I now feel right at home.
