

Why send your best friend to daycare when they can experience the best at Hound Health Day Retreat?

Yes, that's real grass!

5 promises from us that guarantee your dog will come home happier & healthier after each visit

### Safe & Friendly

Playing with their dog friends will satisfy their biological need for social interaction, in a safe and supervised environment with our professional, experienced care.

### Small & Exclusive

The exclusive love and attention your dog deserves is our promise to you. With a **maximum of 6 guests per day**, you can relax knowing your dog is getting all they love and cuddles they need while you're at work.

### Mentally Stimulating

Mental stimulation by exploring new surroundings, new smells, new dogs and new people while also seeing and engaging in safe play with their doggy friends.

### Delicious & Nutritious

Your dog will be treated to 2 Hound Health Certified\* meals so you can rest assured your dog is receiving the nutrition they need to help them thrive.

### Variety & Quality

With 2 Wellness Workouts each visit, your dog will experience different terrains & stimulating new environments, before returning to an abundant turfed backyard

### What clients are saying

"Since attending Annika's day retreat our Alfie has become such a confident and playful puppy! Annika is the only person he doesn't get anxious around when we leave him. He adores her!"

– Alfie, North Bondi

"Annika was the nicest, friendliest and most caring first introduction to Chip and we instantly felt like he was in good hands. Every time he is exhausted because of how much fun he has had!"

– Chip, North Bondi
