

2020 THA 6th Grade Summer Reading Requirements

It may be the end of a crazy school year, but we hope all of our students will be avid readers during summer break. Rising sixth graders are required to read two books this summer. You are asked to read one fictional novel and one non-fiction book. Please select challenging books within your reading level and books that you will enjoy. Push yourself and please don't stop with two novels. While you are simply required to read two novels for THA summer reading, we strongly encourage you to read all that you can. Have your novels read by the first Monday of the new school year. Have a fun summer, 6th grade! We will see you in August.
