

Summer Reading

Rising First Grade

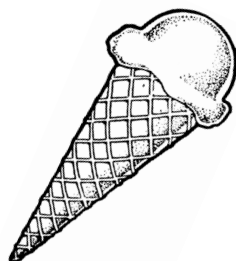

Thomas Hart Academy

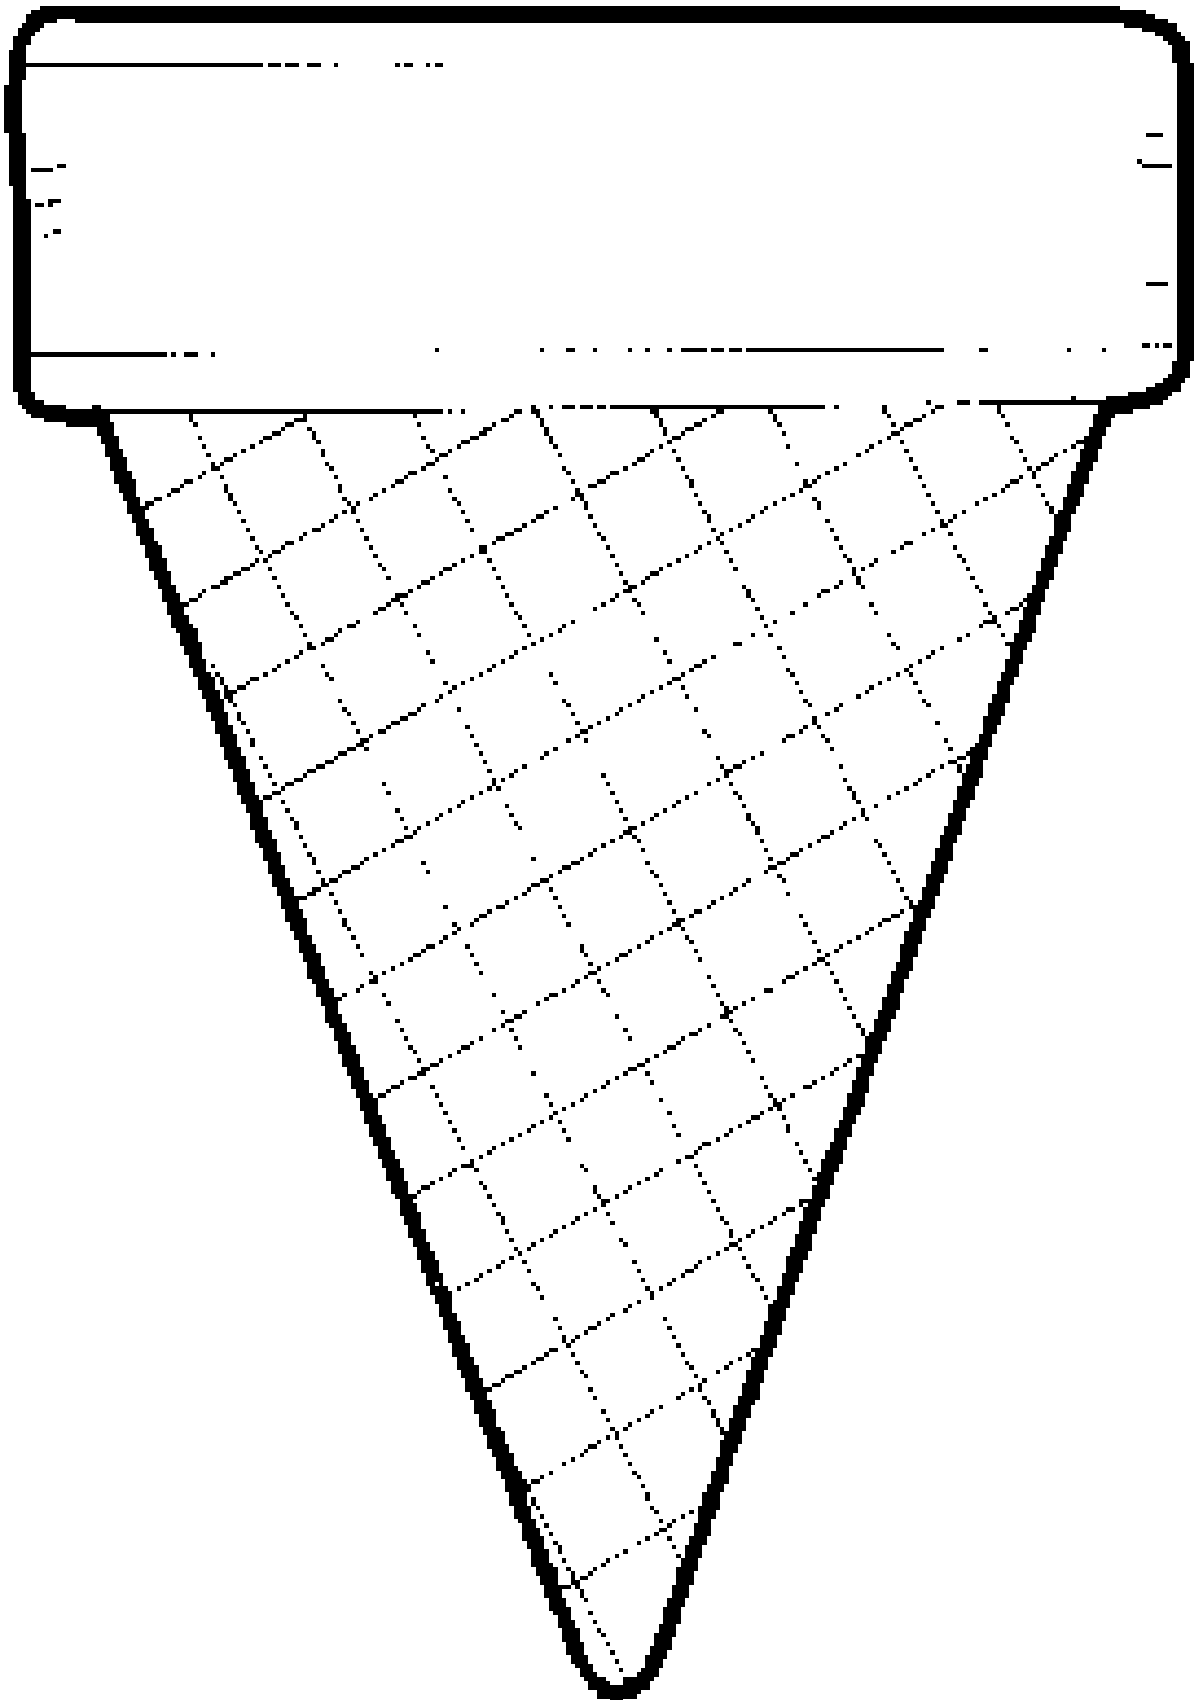

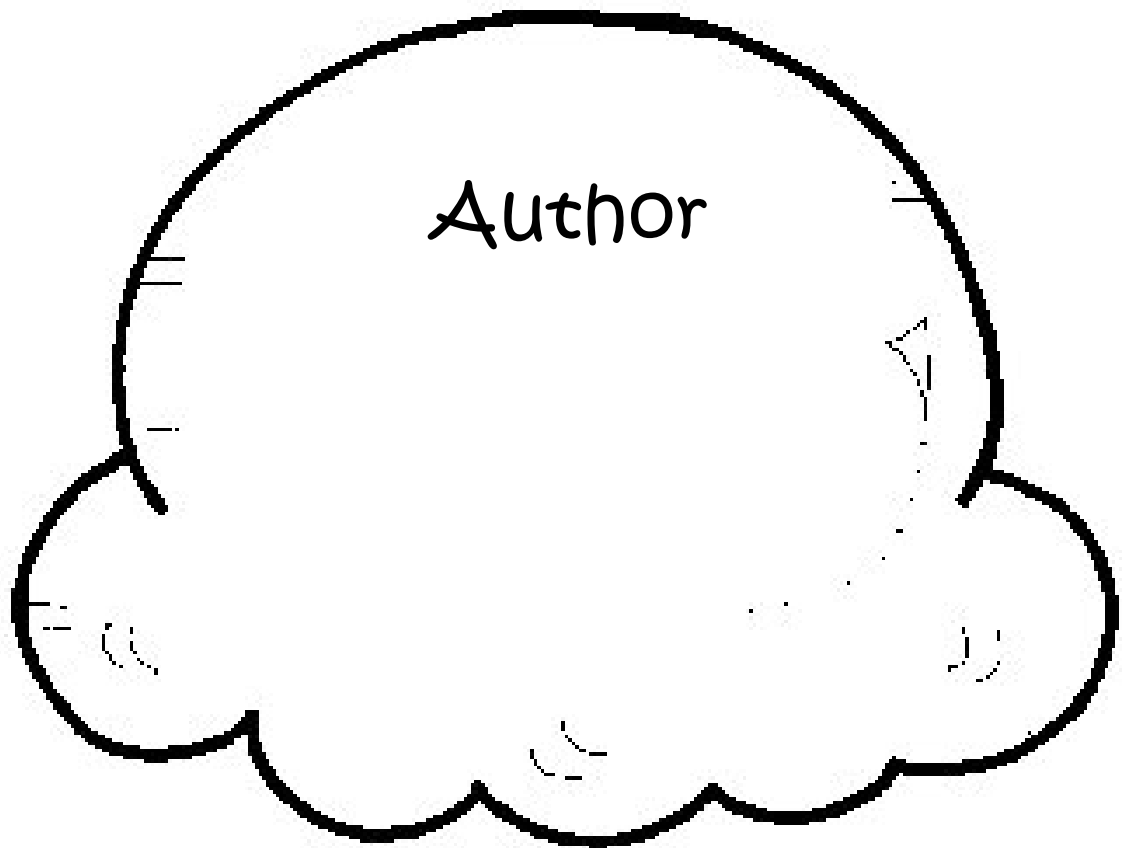

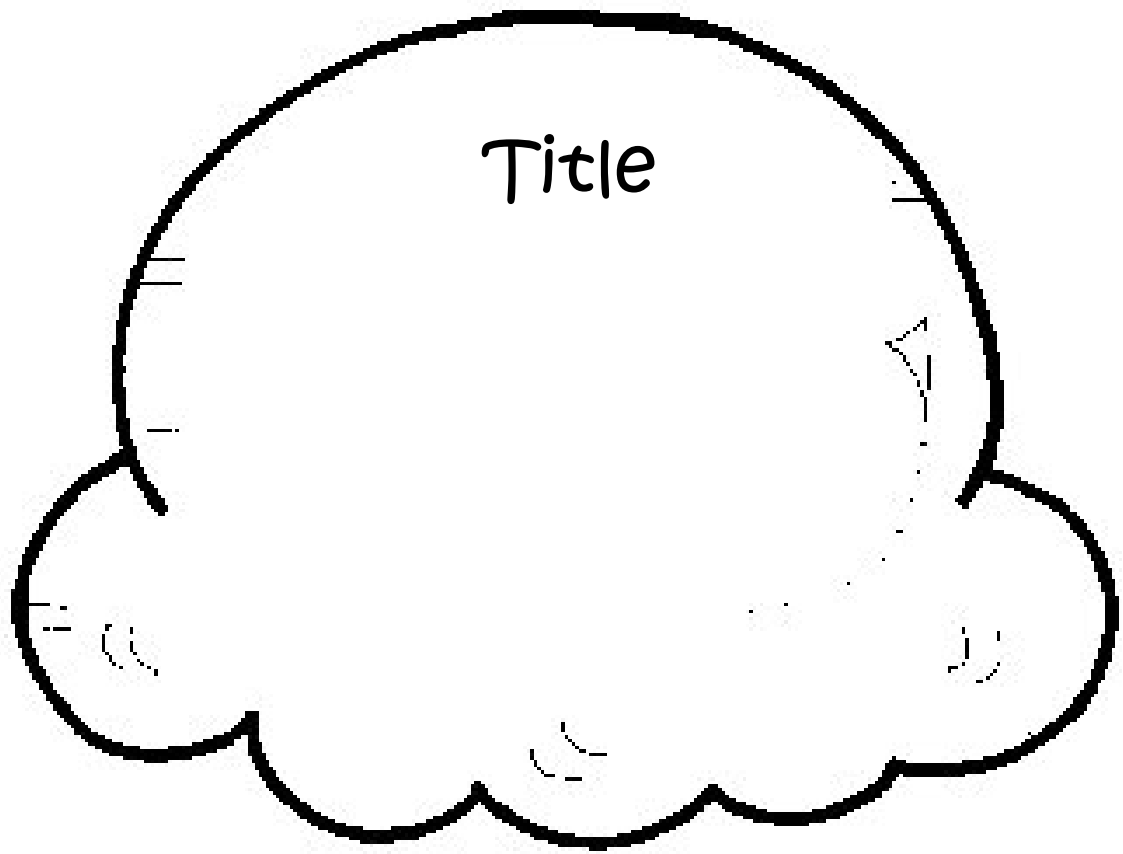

Instructions

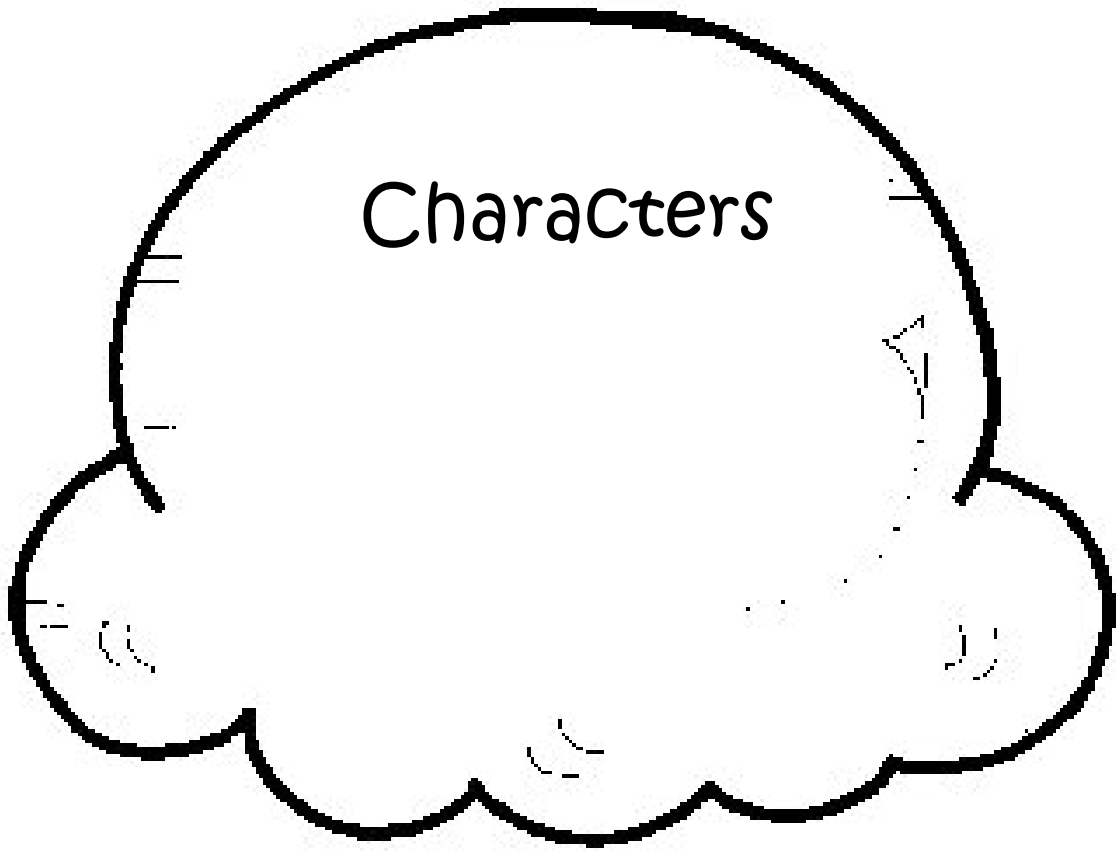

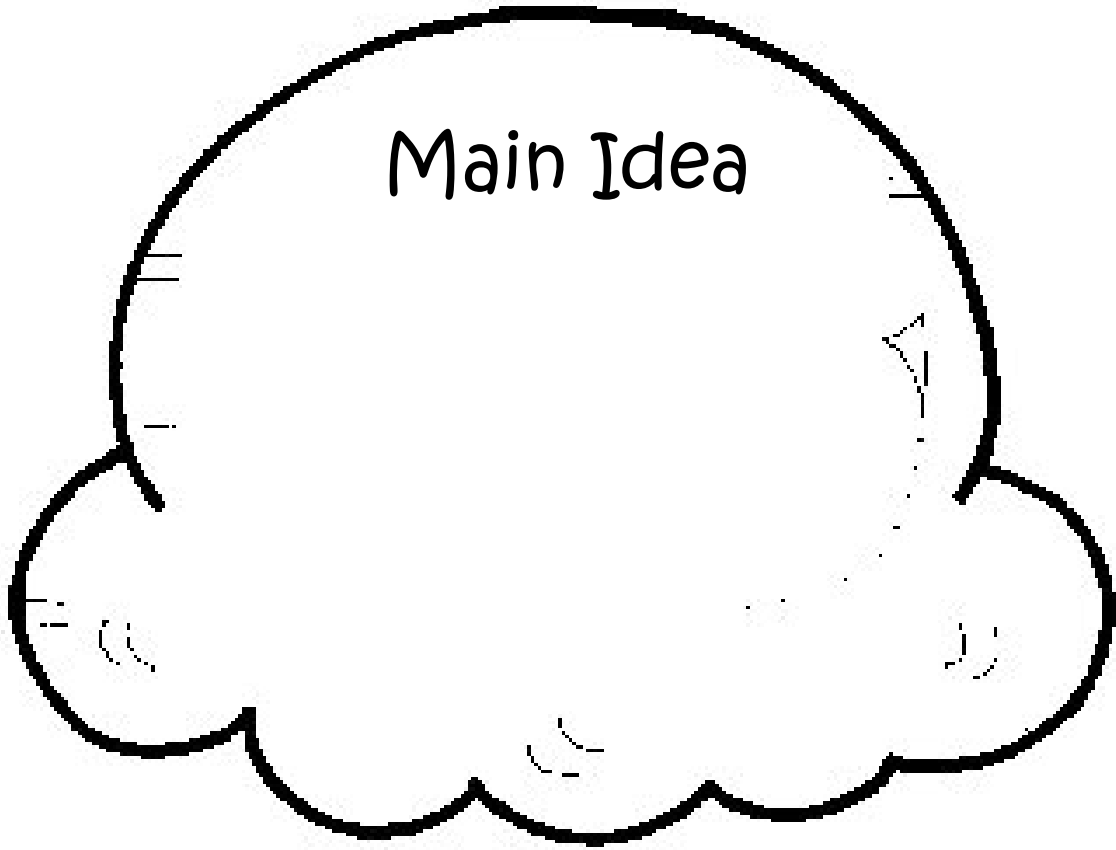

1. Show me how you “scoop up” a good book!
Choose a good book, read it and write about it on your ice cream scoops. Color and decorate the scoops how you choose being careful not to cover your words. Cut out all of the scoops and glue them on top of the cone to make a big Ice Cream Cone book report.
2. Make a poster about something you did over the summertime, even if you just stayed home and read a good book!

Let's show off all of our hard work by bringing our projects on the first day of First Grade and sharing them with each other! Everyone who brings theirs in will receive a treat!

Did You Like It
