It takes every family to help keep the Hornet's Nest healthy. In order to maintain a safe and healthy school environment, each family and faculty member will pledge to do their part to keep THA safe. Please return this signed form to school on registration day.

We pledge the following:

- 1) All students/staff who feel sick will stay home.
- 2) As a family, we will follow safe practices outside of school.
- 3) All students/staff who have COVID-like symptoms, or have potentially been exposed, will not attend school and will communicate with the THA office.
- 4) We will abide by the 2021-2022 THA Covid-19 Policy.
