RE: Drivers for School Field Trips
Date: August 8, 2019
From: Selena Davis, Kerri Pennington, and Amanda Saleeby

Beginning August 2012, Thomas Hart Academy instituted a new policy concerning field trips. We are now requiring all parents or family members who drive children, other than their own, on a school sponsored field trip, to have the following documents on file with the school.

- Copy of Driver's License
- Copy of Automobile insurance card
- Record of the previous ten years of driving (signed Form MV 70)
(\$6 paid to DMV)
- Signed Child Protection Program form
- SLED background check (processed by the THA office)
- Chaperone agreement form

It is our goal to provide a safe school environment for our students, and this requirement is another step in that direction. If you wish to drive students on a class field trip, please complete attached SC Department of Motor Vehicles Form MV 70. Required fee for each driving record request is \$6.00. This may be done online by going to:

- www.scdmvonline.com
- Driver Services
- Get a copy of my driving record
- Next Button
- Enter information for certified driver record for 10 years.

It is your responsibility to update documents throughout the year as necessary. (i.e. expired documents, change in insurance and/or driving record, etc.)

Per our insurance this information has to be updated every year.

Introduction

Thomas Hart Academy strives to create a safe environment for youth, employees, and volunteers so that youth can grow, learn and have fun. Part of creating a safe environment is making sure the youth are not harmed in any way while participating in organization sponsored activities. Abuse is one risk in any organization working directly with youth. What follows is Thomas Hart Academy's procedure in guarding against abuse toward children.

Background Screenings

All volunteers at Thomas Hart Academy are required to have an annual SLED check before participating in any capacity with the students. Also, volunteers that drive on a field trip must have on file in the school office a copy of their driving record, a copy of their driver's license, and automobile insurance card.

Investigation of Volunteers

Any person who is accused or suspected of abusing a child, whether a volunteer or employee, will be suspended automatically from any further participation in any Thomas Hart Academy activities that involve children until the investigation is concluded. At the time, the results of the investigation will determine if the person can return to their prior position or not.

Observation of Children

As a general rule, activities involving children will be conducted in areas that are visible from other areas. For inside activities, doors or windows will provide a view inside the room. Two adults will supervise all student activities whenever feasible.

Parental Permission

For special events such as trips, camp, or other events outside the norm, written parental permission will be required. Without a signed form in the possession of Thomas Hart Academy, the child cannot participate in the special event.

Obligation to Report

Any person that suspects instances of child abuse must report to the Headmaster of Thomas Hart Academy. Also, any accident or injury to children while under your supervision must be reported to the Headmaster.

Disclosure of the Volunteer's Identity

The school will maintain the confidentiality of the volunteer reporting a possible case of abuse.

Field trips are a fundamental part of the educational program at THA. They are encouraged as a means of supporting the curriculum and philosophy of the school. Field trips should support and relate to activities taking place in the classroom, be educational in the broad sense of the word, or be team-building in nature. Being a chaperone is fun but it is also a responsibility. Listed below are guidelines to remember to help the teacher give your child the best experience.

- I have read all seatbelt and safety restraint guidelines listed in the Student/Parent Handbook.
- No child should be placed in the front seat during a field trip unless they meet the age, weight, and height requirements.
- All children must be buckled into a seat belt/restraint properly.
- DO NOT text, smoke tobacco, or participate in any behavior in your vehicle that is inappropriate or may place the children at risk. No profanity should be used or listened to on the radio. All movies and music should be age appropriate.
- You must stay with your assigned group at all times, including supervising trips to the restroom.
- Follow the set given schedule for the field trip. No side trips.
- Be sure students follow the rules.
- All vehicles must return back to THA at the end of the field trip unless other arrangements have been made prior to the trip and agreed upon by the sponsoring teacher and/or Head of School.
- Do not leave children unattended at THA until the sponsoring teacher returns.
- Car assignments are set by the sponsoring teacher and may only be changed by that teacher.
- Electronic devices may be allowed on the trip, this is up to the discretion of the sponsoring teacher. They must be left in the vehicle during the field trip. **YOU BRING THEM AT YOUR OWN RISK!**
- The sponsoring teacher has the final say during the field trip. It is a school function and all rules, expectations and policies of Thomas Hart Academy must be followed.
- Please be respectful of the decisions and boundaries set by the teacher/s. All decisions are deemed what is best for all of the children and not just certain individuals.
- No person/persons is allowed to meet up with the field trip unless approved ahead of time. This person/s must have completed all necessary paperwork.

Final chaperone decisions may be left up to the discretion of the sponsoring teacher and/or head of school.

Please sign below stating that you have read the above guidelines and will agree to follow them if you are chaperoning a field trip at THA.
