- 1.6 References to the words "include" or "including" are to be construed without limitation to the generality of the preceding or succeeding words.
- 1.7 In the event of any inconsistency between the documents that form the Contract, then the following shall be the order of precedence (i) the Contract Document and (ii) these Conditions.

2. Order

- 2.1 Subject to any variation under Clause 15.3 of these Conditions, these Conditions and the Contract Document shall form the whole Contract. Any previous dealings between the parties or any alternative terms or conditions which the Customer purports to apply under any purchase order, confirmation of order, specification or other document, shall be ineffective to modify any of the terms of the Contract Document or these Conditions.
- 2.2 Each order for Services by the Customer shall be deemed to be an offer by the Customer to purchase Services from NEP Connect, subject to the terms of the Contract.
- 2.3 The Customer shall comply with NEP Connect's booking policy as the same may be updated from time to time.
- 2.4 No order placed by the Customer shall be deemed to be accepted by NEP Connect or binding on NEP Connect unless and until a written acknowledgement of order is issued by NEP Connect (whether by email or otherwise) or, if earlier, NEP Connect performs the Service.
- 2.5 All Fees quoted by NEP Connect in the Contract Document shall be valid for 60 days from the date of issue of the Contract Document. The Fees will be subject to change if the Customer places an order for the Service outside this timeframe.
- 2.6 All Contract Documents issued by NEP Connect are capable of being withdrawn at any time by NEP Connect.
- 2.7 NEP Connect reserves the right to refuse any order for any reason whatsoever and, in any event, all orders are subject to acceptance on a first come first served basis depending on resources and facilities available. Acceptance of an order which does not specify firm dates and times for the provision of the Service shall be subject to the availability of resources and facilities on the dates subsequently requested by the Customer.

3. Service

- 3.1 NEP Connect shall provide the Service using reasonable care and skill and in accordance with these Conditions.
- 3.2 It is not technically practicable for NEP Connect to provide the Service free from faults or interruptions, and NEP Connect does not undertake to do this. NEP Connect shall use reasonable endeavours to remedy any faults as soon as possible, to the extent it has the power to do so.

4. Rescheduling and Cancellation

- 4.1 Once an order becomes binding on the parties pursuant to Clause 2, it cannot be cancelled by the Customer without the prior written agreement of NEP Connect.
- 4.2 The Service may be rescheduled, whether occasionally or permanently, only by agreement in writing between the parties.
- 4.3 Notwithstanding Clause 4.1, in the event of a cancellation of all or part of the Service, the Customer must pay NEP Connect the following percentage of the Fees as a cancellation charge by way of a genuine pre-estimate of loss:
 - a. More than 48 hours but less than 72 hours before the scheduled delivery date
25%
 - b. More than 24 hours but less than 48 hours before the scheduled delivery date
50%
 - c. Less than 24 hours before the scheduled delivery date
100%
- 4.4 NEP Connect reserves the right to increase the cancellation charge set out in Clause 4.3 in the event that such a cancellation charge fails to repay NEP Connect all monies committed or costs incurred by NEP Connect as a result of the Contract.
- 4.5 The Customer agrees to pay any cancellation charge calculated under Clause 4.3 or Clause 4.4 in accordance with the terms of Clause 5.

5. Fees and Payment

- 5.1 In consideration of the provision of the Service by NEP Connect, the Customer shall pay NEP Connect the Fees, subject to and in accordance with this Clause 5.
- 5.2 The amounts of any charges payable under the Contract are expressed to be exclusive of any Value Added Tax, any sales or local taxes, import or export duties or any combination of such, which shall be charged at the appropriate rate.
- 5.3 Unless agreed otherwise in writing between the parties, the Fees exclude all costs and expenses incurred by NEP Connect in connection with the Service, including fuel, licence approval and costs, ferry bridge and toll roads, visas, hotels, flights, site surveys, carriage, freight and subsistence costs. NEP Connect shall be entitled to full reimbursement of all such costs and expenses in addition to the Fees. Such costs and expenses shall be charged at current NEP Connect rates or at actual cost as agreed in writing between the parties.
- 5.4 Unless agreed otherwise in writing between the parties any daily charging rates shall apply to each full Day or part Day of the Service. For the avoidance of doubt this means that if a Service runs past 11.59pm the Customer shall be charged for a new Day at the full daily charging rate, irrespective of whether the Service is provided for a full twenty-four (24) hour period on such new Day.
- 5.5 If the Contract Document specifies an agreed minimum Service Period for which NEP Connect shall be entitled to charge the Customer, then the full Fees for such minimum Service Period shall be paid by the Customer even if the Service is not provided by NEP Connect to the Customer for the minimum Service Period, for whatever reason.

If the duration of any Service Period exceeds the time specified in the Contract Document, then such excess period shall constitute an "overrun". NEP Connect will only continue to provide the Service to accommodate such overrun if it has sufficient resources (including resources available from third parties) and, by accommodating such overrun, it does not impair NEP Connect's ability to provide services to other Customers and/or perform line-up tests for any services. If any overrun is accommodated by NEP Connect in accordance with this Clause 5.6, the

Customer agrees to pay NEP Connect for such overrun and the "Contract Period" shall be extended accordingly. Without prejudice to the foregoing, NEP Connect reserves the right to increase the Fees payable by the Customer in respect of any overrun, provided it has given prior written notice, including notice by email, of such increase to the Customer. The Customer's continued receipt of the Service during any such overrun shall constitute an acceptance of such increase by the Customer.

- 5.6 All payments shall be made by the Customer in the United Kingdom pounds sterling currency unless agreed otherwise in writing by NEP Connect.
- 5.7 If the cost to NEP Connect in performing the Contract is increased as a consequence of any breach of the Contract by the Customer, the supply of incorrect or inadequate information from the Customer, any change in laws or any other reason beyond the reasonable control of NEP Connect, then NEP Connect may charge the Customer extra to cover such additional cost and expenses.
- 5.8 Unless agreed otherwise in writing between the parties, NEP Connect reserves the right to invoice the Fees at any time on or following order acceptance.
- 5.9 All invoices are payable within 30 days of invoice date.
- 5.10 NEP Connect reserves the right at any time to request a deposit or payment of the Fees in advance prior to delivery of the Services.
- 5.11 If the Customer fails to make payment on or by the due date, NEP Connect shall, without prejudice to its other rights and obligations, be entitled to:
 - a. charge the Customer interest from the date specified for payment upon the outstanding amount at such rate as NEP Connect may decide but which in any event shall not exceed 5% per annum above the sterling base rate of the Royal Bank of Scotland plc from time to time accruing daily until payment of the outstanding amount is paid in full; or
 - b. suspend performance of the Service or refuse to further perform the Contract without incurring any liability to the Customer.

6. Liability

- 6.1 Nothing in the Contract excludes either party's liability for death or personal injury caused by that party's negligence or any other liability that cannot be excluded or prohibited by law.
- 6.2 Subject to Clause 6.1:
 - a. in no circumstances shall NEP Connect be liable for (i) any loss of or damage to profit, revenue, anticipated savings, data, use, contract, goodwill, opportunities or business (whether direct or indirect) (ii) any penalty or compensation whatsoever paid or payable by the Customer to any third party or (iii) any indirect or consequential loss of any nature whatsoever; and
 - b. NEP Connect shall only be liable to the Customer for any accidental loss or damage where such accidental loss or damage is caused by the gross negligence or wilful default of NEP Connect.
- 6.3 Without prejudice to the other limitations on liability in the Contract, but subject to Clauses 6.1 and 6.2, in any event, and notwithstanding anything contained in the Contract, NEP Connect's total liability arising out of or in connection with the Contract and/or the Service, howsoever arising, shall be limited to the Fees payable in respect of the Service giving rise to the claim.
- 6.4 The term "howsoever arising" when used or referred to in this Clause 6 shall cover all causes and actions giving rise to liability of NEP Connect arising out of or in connection with the Contract and/or Service (i) whether arising by reason of any misrepresentation (whether made prior to and/or in the Contract) negligence, breach

of statutory duty, other tort, repudiation, renunciation or other breach of contract, restitution or otherwise; (ii) whether arising under any indemnity; (iii) whether caused by any total or partial failure or delay in supply of the Service or by any defect in hardware, software or materials; and (iv) whether deliberate (but not with malicious intent) or otherwise, however fundamental the result.

6.5 All warranties, conditions, terms and liabilities express or implied, statutory or otherwise, which are not expressly set out in the Contract are excluded except to the extent such exclusion is prohibited or limited by law.

6.6 Each provision of this Clause 6 is to be construed as a separate and independent limitation each to be capable of applying and surviving if, for any reason, any other of the said provisions is held to be inapplicable or unreasonable in any circumstances and shall remain in force if the Contract expires or is terminated for any reason.

7. Customers' Obligations

7.1 The Customer warrants and undertakes to NEP Connect that:

- a. it possesses full power and authority to enter into and to perform the Contract;
- b. it has the right to transmit the Material and that it will on or before the commencement of the Service have obtained and throughout the Contract Period will maintain any and all necessary licences, consents and permissions required under any relevant legislation for the transmission of the Material;

- d. the Material will not breach any third party rights;
- e. the Material will not cause any breach of any Relevant Laws or the rules of OFCOM and/or any other regulatory body in any applicable jurisdiction; and
- f. the Material will not expose NEP Connect to any civil or criminal proceedings or liability.

7.2 The Customer shall indemnify NEP Connect against all liabilities, claims, demands, actions, losses, damages, costs and expenses (including legal costs and expenses) arising out of or in connection with the Material, including in connection with any breach of the warranties set out in Clause 7.1 above.

7.3 The Customer shall not assign or sub-let or use or allow the Service to be used for any purpose or by any third party save as expressly authorised in the Contract.

7.4 The Customer undertakes to comply with any operating procedures and conditions imposed by NEP Connect and to comply with any or all reasonable requests or directions given by NEP Connect relating to operation of the Service.

7.5 The Customer shall at its own expense:

- a. allow NEP Connect full, convenient and safe access at all reasonable times to the Customer's premises and any third party premises; and
- b. make available for the use by NEP Connect such supplies of electricity, water, gas, air and other services

as may be required by NEP Connect for the purpose of carrying out the Contract.

7.6 Without prejudice to the generality of Clause 7.5, where the Customer requires the use of any Service on the Customer's premises or a third party's premises or NEP Connect requires access to any such premises for the performance of the Contract, the Customer shall provide a secure area(s) for any NEP Connect equipment as agreed between the parties at such premises. The secure area(s) shall be provided at the Customer's own expense.

- 7.7 Where the Service involves the hire of property or equipment:
- a. the property or equipment shall remain at all times the sole and exclusive property of NEP Connect and the Customer shall not (and shall procure that any third party shall not) sell, assign, let, pledge, mortgage, charge, encumber or part with possession of or otherwise deal with the property or equipment or any interest therein or create or allow to be created any lien thereon and NEP Connect may terminate the Contract with immediate effect upon written notice in the event of the Customer or any third party making any attempt to do so;
 - b. unless agreed otherwise between the parties in writing, the property or equipment shall be promptly collected by the Customer from NEP Connect at NEP Connect's premises in Milton Keynes and promptly returned by the Customer to NEP Connect at NEP Connect's premises in Milton Keynes; and
 - c. the Customer shall comply (and shall procure that any third party complies) with the following conditions:
 - i. the property or equipment shall not be used in any hazardous manner or at any location or in any manner other than as expressly agreed with NEP Connect in writing;
 - ii. the property or equipment shall at all times be kept in good condition;
 - iii. no repairs to or replacement of the property or equipment shall be made without the prior written consent of NEP Connect; and
 - iv. no alteration(s) or addition(s) shall be made to the property or equipment without the prior written consent of NEP Connect. Where NEP Connect so consents, any such alteration(s) or addition(s) shall only be of a temporary nature and the Customer shall be responsible for restoring (or procuring that any third party restores) the property or equipment to its original condition at the end of each periodic use thereof (as agreed with NEP Connect in writing), upon expiry of the Contract Period or upon termination of the Contract, whichever is the earlier. Where the restoration has not been made to the satisfaction of NEP Connect the cost of any further restoration by NEP Connect shall be paid by the Customer.
- 7.8 Where the Service involves the secondment of NEP Connect personnel (of whatsoever nature) to the Customer, they shall be subject to the direction, control and management of the Customer. The Customer shall be directly and wholly responsible for all tasks performed by such persons and NEP Connect shall not be liable to the Customer for any works which are performed by them. The Customer shall ensure that seconded NEP Connect personnel are fully covered by the Customer's Public Liability and any other applicable insurances for the period of any such secondment.
- 7.9 The Customer shall indemnify NEP Connect against all liabilities, claims, demands, actions, losses, damages, costs and expenses (including legal costs and expenses) arising out of or in connection with any loss of or damage to any property, equipment or any injury to personnel during the course of their being in the charge, use, possession, control, direction or management of the Customer or any third party engaged by the Customer and the Customer shall arrange and maintain insurance throughout the Contract Period to cover such loss or damage in accordance with the requirements of Clause 7.14. Without prejudice to the generality of the foregoing, the Customer shall be responsible to NEP Connect for the prompt repair or replacement (at NEP Connect's option) of any property or equipment that is lost or damaged whilst such property or equipment is in the charge, use, possession or control of the Customer or any third party engaged by the Customer.
- 7.10 Where applicable, upon termination or expiry of the Service the Customer shall promptly cease using the Service and promptly return all NEP Connect property

or equipment (if any) to NEP Connect. NEP Connect, as the owner of the equipment, is expressly and irrevocably acknowledged by the Customer, to have all reasonable powers and authority to do all things or acts necessary or advisable to retake possession of the equipment as against the Customer or any third party and shall be entitled to recover from the Customer all costs and expenses, including legal costs on an indemnity basis, relating thereto.

- 7.11 NEP Connect reserves the right to be present at any premises where the Service is being supplied at all or any time.
- 7.12 Any property or equipment supplied by the Customer that is to be used by NEP Connect shall remain at the Customer's own risk and expense and NEP Connect shall not assume any responsibility for such property or equipment. In respect of any property or equipment of the Customer which NEP Connect transports on behalf of the Customer such transportation shall be carried out at the Customer's own risk and expense and insurance responsibility.
- 7.13 The Customer warrants and undertakes to NEP Connect that no act or omission of the Customer or any third party engaged by the Customer shall invalidate the terms of any of NEP Connect's insurance policies and shall indemnify NEP Connect against all liabilities, claims, demands, actions, losses, damages, costs and expenses (including legal costs and expenses) arising out of or in connection with any breach of this Clause 7.13.
- 7.14 The Customer shall arrange and maintain insurance throughout the Contract Period to cover the Customer's liabilities and responsibilities imposed by the Contract and shall notify the Customer's insurers of NEP Connect's interest and cause the interest to be noted on the Customer's insurance policies. The Customer shall use all insurance monies received by the Customer to indemnify NEP Connect in respect of the Customer's liabilities and responsibilities. For the avoidance of doubt, a failure by the Customer to arrange and maintain insurance in respect of a particular liability or responsibility shall not absolve the Customer from such liability or responsibility and the Customer shall make good any shortfall from its own resources.
- 7.15 NEP Connect shall have no liability whatsoever for any failure or delay in the performance of the Service where such failure or delay can be attributed in whole or in part to any act or omission of the Customer or any third party.
- 7.16 Notwithstanding the specific indemnities set out in Clause 7, the Customer shall indemnify NEP Connect against all liabilities, claims, demands, actions, losses, damages, costs and expenses (including legal costs and expenses) arising out of or in connection with any breach by the Customer of the terms of this Clause 7.

9. Force Majeure

9.1 Notwithstanding anything to the contrary contained in the Contract, if, for any reason beyond the reasonable control of NEP Connect, NEP Connect is delayed in or prevented from performing any of its obligations under the Contract, then such non-performance shall be deemed not to constitute a breach of the Contract. A reason beyond the reasonable control of NEP Connect shall include but shall not be limited to: strikes, lockouts or other industrial disputes or actions; acts of God; acts of Governments or other prevailing authorities; acts of third parties (including but not limited to any telecommunications operator, satellite consortium, utility companies); inclement weather; fire, flood, drought, lightning, terrorism, externally caused interference including rain fade, solar disturbances, sun outages, satellite or transponder pre-emption; satellite component failure, satellite degradation (or failure or degradation of terrestrial facilities for the uplink to such satellite).

NEP Connect has no liability in respect of any unauthorised reception of the Material by any third party.

11. Termination

- 11.1 NEP Connect shall be entitled to terminate the Contract with immediate effect in writing if at any time during the Contract Period:

- 11.3 Upon termination of the Contract for any cause whatsoever all sums accrued due to NEP Connect under the Contract shall immediately become due and payable to NEP Connect.
- 11.4 Termination of the Contract for any reason shall not affect any rights or liabilities accruing or already accrued at the date of termination. Any termination of the Contract howsoever caused shall also not affect the continuance in force of any provision hereof which expressly or by implication is intended to come into or continue in force after termination.

12. **Assignment**

- 12.1 The Customer shall not without the prior written consent of NEP Connect sub-contract, assign or transfer the benefit of the Contract in whole or in part or any of its obligations under the Contract.

- a. comply with all Relevant Laws;

15.2 Nothing in the Contract shall be deemed to constitute either party as the agent of the other or create a partnership or joint venture between the parties and the Customer shall have no power to bind NEP Connect or to contract in the name of or create a liability against NEP Connect in any matter whatsoever other than as set out in the Contract.

In the event of a dispute concerning this Contract, the parties shall in their first instance use their reasonable endeavours to attempt to resolve the dispute at senior management level within 14 days of such dispute arising, failing which it is irrevocably agreed that the courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with this Contract and that accordingly any suit, action or proceeding arising out

Nothing in this Clause shall limit the right of NEP Connect to take Proceedings against the Customer in any other court of competent jurisdiction, nor shall the taking of Proceedings in one or more jurisdictions preclude the taking by NEP Connect of Proceedings in any other jurisdiction, whether concurrently or not.

16. Conditions for Transmission Services

16.1 The minimum period for placing an order for a transmission Service is thirty (30) minutes before the Service is required to commence. If an order is accepted by NEP Connect within a period shorter than thirty (30) minutes NEP Connect shall use reasonable endeavours to perform the Service, but the Customer acknowledges that due to the time restrictions NEP Connect has no liability to it for failing to perform the Service in accordance with the terms of the Contract.

16.2 A grace period may be required by NEP Connect before the commencement of a transmission Service in order for NEP Connect to perform line-up tests. This shall be at the complete discretion of NEP Connect and the Service shall not be provided to the Customer during such periods.

17. Conditions for Satellite Services

Where the satellite is pre-empted or interrupted, NEP Connect shall have no liability to the Customer as a result of any such action.
