

## SPECIAL HOME DELIVERY MENU

During this unprecedented time there will still be a need for all of us to eat. Catered by Design stands ready to provide meals delivered to your home or business. CBD has put together a Special Home Delivery menu which is scaled back to take into consideration product availability.

For the near future, Catered by Design will waive all delivery fees and has lowered the requisite minimum order. We are all in this together, and together we will make it through.

**10% OFF ALL MENU PRICING**
