## VPrH Multicolor II GF

**SIRE: MASCARPONE GF (ZW)**

**DAM: SIMSALABIM ZFDP**

*Buckskin Tobiano Warmblood  
2002 ZfDP ECHA 16hh*

MC is a modern athletic type, with a super walk, elastic trot and uphill canter. A large scopey jump and an outstanding even colouring. Suitable for breeding modern competition horses with a kind temperament. MC is approved and has been awarded Verband Premium Stallion by the ZfDP. The association marked him with the highest ever scores achieved by a Pinto Warmblood Stallion. As a foal he scored a phenomenal 9.0 at the foal show and was placed 2nd at the National German Championship for Warmblood Colts.

His breeding includes endless impressive sires, such as Trakehner stallion, E.H.Marduc. The Hanoverian greats Philippo and Grande on his sires side. His dams pedigree notably carries the famous Dutch Grand Prix

stallion Samber, giving us the tobiano pattern. Also the historic Trakhener sires Mahagoni and Ibikus.

In 2008 100% of stock carried the tobiano gene and 50% carried both the dilute and tobiano gene.

**STUD FEE : £500 NFFR Fresh/Chilled semen  
Concessions to proven mares**
