

Xpedit Guide

- 1 POS Online Status Indicator
- 2 Order Status Filters
- 3 Order List
- 4 Order Swipe Quick-Move
- 5 Revenue Center Button / Selector
- 6 RC Open Status Indicator
- 7 Settings
- 8 Order Search

The screenshot shows the Xpedit POS interface for 'The Caffeinated Café (004)'. The interface includes a top header with status indicators, a filter bar, an order list table, and a search panel on the right.

Callout 1: Points to the 'Online' status indicator in the top left corner.

Callout 2: Points to the 'PLACED (47)' filter button in the filter bar.

Callout 3: Points to the first row of the order list, which includes a time indicator (2:15) and a 'MOVE TO BEING PREPARED' button.

Callout 4: Points to the 'MOVE TO BEING PREPARED' button in the order list row.

Callout 5: Points to the 'BEING PREPARED (7)' filter button in the filter bar.

Callout 6: Points to the 'Open for All Orders' status indicator in the top right corner.

Callout 7: Points to the settings gear icon in the top right corner.

Callout 8: Points to the search panel on the right, which includes a numeric keypad and a 'SEARCH' button.
