

# Leadership Bios

---

## **Derek Smith** Co-Founder and CEO

Derek Smith is the co-founder of Shape Security, which is backed by leading investors including Kleiner Perkins Caufield & Byers, Venrock, Google Ventures, Eric Schmidt and the former CEO of Symantec. Derek served as Senior Advisor for Cyber Policy at the Pentagon. He led Raytheon Oakley Systems and was the Co-Founder and CEO of Oakley Networks, the first DLP and Insider Threat Protection technology (acquired by Raytheon NYSE:RTN).

---

## **Sumit Agarwal** Co-Founder and COO

Sumit Agarwal is a co-founder Shape Security. He was most recently appointed by President Barack Obama to be Senior Advisor for Cyber Innovation at the Department of Defense, and prior to that, Deputy Assistant Secretary of Defense. Before the Pentagon, Agarwal led Google's North American Product Management for Mobile. Agarwal holds a Bachelor of Science in Chemical Engineering from MIT and a Master of Military Operational Art and Science from Air University.

---

## **Justin Call** Co-Founder and VP R&D

Justin Call is a co-founder of Shape Security, and now serves as Vice President of Research and Development in Salt Lake City, Utah. Previously, Justin pioneered data leak prevention technologies as the first VP of Engineering at Oakley Networks. He was also Chief Architect at Raytheon Oakley Systems and CTO at ThoughtStar (acquired by Interwoven).

---

## **Shuman Ghosemajumder** CTO

Shuman is CTO at Shape Security, overseeing research and development in the Silicon Valley headquarters. Shuman previously led global product management for click fraud protection at Google, enabling \$23B in pay-per-click annual revenue. At Google, he helped launch both AdSense and Gmail. He is co-author of CGI Programming Unleashed (Macmillan Publishing), a contributing author to Crimeware (Symantec Publishing), and a regular guest lecturer at Stanford University. In 2011, the Boston Globe named him to their MIT150 list, as one of the top innovators of all-time from the Massachusetts Institute of Technology.

---

## **Hasan Imam** CRO

Hasan Imam is the Chief Revenue Officer at Shape Security. Previously, he architected vertical-focused strategies for large enterprise sales and strategic partnerships as Head of Solutions at DocuSign. At HP Big Data Solutions, he led a team of account managers and professional services engineers that grew SaaS revenue from \$40M to \$140M.

---

## **Mike Plante** CMO

Mike Plante is the Chief Marketing Officer for Shape Security. Mike was previously the CMO for InsiderSales.com, and has been a VP of Marketing for many of the top tech organizations in North America, including Symantec, Citrix Online and, most recently, ForcePoint (formerly WebSense). Mike has over 25 years experience in the high-tech world and is an alumnus of Brigham Young University in Utah.
