

In response to the most recent recommendations issued by the American Dental Association (ADA), Buehler Family Dental will operate on an EMERGENCY basis only until further notice. If you are experiencing a true dental emergency and are in need of our help, please call the office at 717-656-0005.

We will continue to follow the recommendations of the American Dental Association (ADA), Centers for Disease Control and Prevention (CDC), and federal and local government agencies who are working diligently to monitor the current COVID-19 coronavirus outbreak. Working together with the safety of our team and our patients as our first priority, we hope to be able to resume needed care as soon as possible.

Thank you for your continued patience and understanding during this challenging time. Your health is important to us and we continue to strive to provide for the oral health care needs of our community.
