
The Tentr Signature CampKit

A Word From a CampKeeper

“Through Tentr, we are able to not only share the place we love and live but also have the opportunity to meet new people who are hungry for the very blessing we have. It’s just a win-win for us.”

Tentr has had absolutely top quality information, equipment and support all along our journey to becoming CampKeepers. I don’t feel alone.”

-Melissa, CampKeeper

The Tentr CampKit

The Tentr CampKit is a turnkey camping solution. Learn the ins and outs of the CampKit in just a few slides!

The Tentr Tent

Details:

- A beautiful white canvas wall tent is a signature part of the CampKit.

The ADK Chairs

Details:

- Two very sturdy and long lasting Adirondack chairs complete with the Tentr logo branded to the front.
-

The Tentr Table

Details:

- This 6 foot table not only has an iconic look and feel, but has convenient and sturdy bones that will hold for years to come.

The Tentr DryBox + Benches

Details:

- A dry storage solution & food prep station that attaches directly to the table. Perfect for storing non perishable goods such as bug spray and garbage bags. With two benches to go with it.

The Tentrr Loo

Details:

- A nice design, elegant in its simplicity. By utilizing CleanWaste bags, the loo is solved.

The Tentrr Wood Stove

Details:

- Easily installable for cold weather camping. Keeps the tent very toasty and provides a lovely indoor cooking surface.
-

The Tentr Side Table

Details:

- Two chest like bedside tables that provide lots of storage space for extra items.
-

The Tentr Bed

Details:

- The Great North American Bed. The queen sized bed made of wood is great for campers.

The Pop-Up Tent

Details:

- Super easy to set up and large in size for extra space when you're in a pinch.
-

The Water Carrier

Details:

- A convenient collapsible 5 gallon water container to hold water at the campsite.

The Sun Shower

Details:

- A convenient, easy to use, low impact shower solution.

The Fire Pit

Details:

- A nicely dug fire pit with stones along the rim.

The Grill

Details:

- An easy to use, very to the point foldable, over the fire cookin', metal grill.

The Garbage Can

Details:

- A classical camping trash can adding to aesthetics, convenience and safety.

The Fire Extinguisher

Details:

- A perfect, small in size but mighty in strength, fire extinguisher.
-

And most importantly...

You!

Details:

- Your slice of paradise is crucial to a Tentr campsite. By working together, we can create an epic experience for your campers to enjoy.
