
New Millside Pre-school

PARENT CODE OF CONDUCT

At New Millside Pre-school, we are in a very privileged position of having a very supportive parent body. Our parents recognise that educating children is a process that involves partnership between all stakeholders and the wider community. As a partnership, our parents will understand the importance of a good working relationship to equip children with the necessary skills for adulthood. For these reasons, we welcome and encourage parents to participate fully in the life of our pre-school.

The purpose of this policy is to provide a reminder to all parents, carers and visitors to our pre-school about the expected conduct between both parents and staff. This will ensure that we can continue to flourish and achieve in an atmosphere of mutual understanding.
