

# The Messenger Accelerator

**Recart's No Risk, "Do it for You" Service**

# Vision

---

**Trying new marketing tech can be difficult and overwhelming, especially when that tech operates in a new channel.**

---

**We wanted to give our agency partners something actionable and powerful to give to their clients, without asking them for too much of their time.**

---

**Thus, we created the Messenger Accelerator, a zero-risk software + service provided by Recart for any agency partner's clients generating over \$800k/y.**

# What You'll Get

- 1** A free, fully-managed  Recart account incl. setup
- 2** 30 min. strategy session w/ one of our growth experts
- 3** Dedicated client success manager
- 4** 10% on average total revenue growth

# How Exactly is this Achieved?

A Step by Step breakdown of the Accelerator

1. Download  Recart on the Shopify app store
2. Connect your FB page to  Recart on our backend
3. Book a 30 min. session w/ one of our growth experts
4. In the session, we will strategize and decide on what **growth tools to use based on the brand's direction and the client's needs**
5. Wait up to 2 days for the initial flows to be built
6. Approve the built flows, launch, and rake in \$\$\$ + Subs
7. Repeat 5. & 6. for other growth tools, flows, and one-off holiday campaigns we decide to utilize
8. Begin talks to move forward with a  Recart plan  
once **\$10k** in extra revenue has been generated (details on next slide)

- **Our pricing is commission based on sales**

Sales are attributed through 3 day view through in Messenger after any bot action

- **Commission is a very small %**

It starts at ~2% of sales attributed and goes down gradually with volume to ~1.5%
