

Children's Books

The children's books are on the small bookshelf. The two main categories are BIB C* for a retelling of the Bible in terms a child could understand, and CBS C* for Children's Bible Stories. You will also find books on Bereavement and Grief (BER), Bible History (BH), Bible Related (BR), Christian Life (CL), Fiction (FIC), Prayer (PRA) and Social Concerns (SC). As much as possible, the books are shelved by category. However, due to shelf size, all larger books are in order on the bottom shelf.
