

# North Idaho Christian School News

**Online Campus... It is official! We are up and running with our online campus. Please pray for us as we take this leap of faith and offer an innovative way to receive a Biblical Education. See attached flyer for more info.**

1st, 2nd and 3rd grade will now begin at 8 am. Please make a mental note of this significant time change.

**Volunteers Needed: email admissions@northidahochristianschool.com if interested**

We need **Uniform Sale** volunteers to set up, help people during the sale, and then tear down. Also, we need hangers for this sale. The sale is August 7th from 10am until 1 pm.

We need people to volunteer at the **North Idaho Fair**. First, we need people to take shifts to man the NICS booth (hand out water, pens and pencils). Second, we need people to wear drawstring backpacks with our logo on them around the fair. Please let me know if you will be walking around the fair and are willing to sport a logo'd backpack.

←—————→  
I have set the LORD always before me; because He is at my right hand, I shall not be shaken. Psalm 16:8

**New Student Orientation:** Thursday, August 29th 2:00 pm

**Back to School:** Tuesday, September 3rd

**Happy Summer!**

North Idaho Christian School exists to challenge and inspire individuals to impact the world by growing in Christ-like character through academic excellence rooted in Biblical truth. NICS is a ministry. We are the body of Christ. The parents, faculty and staff are the ministers of this school. Time, talents, and efforts are given generously to this school by this group of faithful servants. Thank you to all of the past, present, and future ministers who use your gifts to bless NICS. We are truly grateful, thankful and blessed by your service. Happy to be partnering with you on this journey.

Enrollment is still open. Students enrolling on or after August 26 may not start on the first day of school. Be a part of NICS 19-20. Enroll now. You don't want to miss it. Email [admissions@northidahochristianschool.com](mailto:admissions@northidahochristianschool.com) for more information or help going through the process.

**Feed the Need Underwriter Sponsor**

Enrollment is well underway and the 10th grade class is nearing capacity. We are really excited about next year and the new things that are happening!
