

# NORTH IDAHO CHRISTIAN SCHOOL

## 2019-2020 JR. SR. HIGH SUPPLY LISTS

### Dear Parents:

As your student enters into secondary education at NICS, school supplies are more about organization and preference. The supplies listed under “general” are suggested items. Some students prefer to use a separate binder for each class, while some students like one larger binder with dividers. Many students like to have notecards for studying; a flash drive is useful for those times when an assignment is due and the printer/email is not working at home. Please discuss with your student about what types of pens, pencils, organizational tools they find most beneficial.

Other class specific supplies may be requested by teachers and will be announced the first week of school.
