

School Year 2019/2020

School Chrome Book Care and Use Contract for North Idaho Christian Students

Always be careful and use responsibly

Care

- Use with clean hands
- No food or drinks (including water bottles) allowed around school Chrome Books
- Transport closed and with two hands holding by the base
- Keep school Chrome Books on flat, level surface. Not on carpet.
- Do not carry more than 2 stacked on top of each other at a time. Do not stack more than 2 high.

Use

- School Chrome books are for educational purposes only
- You must sign in and use your school Google Account
- No personal web surfing
- Only go onto sites approved by teacher
- Do not take photos or videos without permission
- No headphones, ear buds, or other listening devices. If head phones are needed for online classes they can be used during the class, in the classroom where student is taking online class and they are used only during the online class time for class purposes. Failure to remove headphones (etc.) after exiting online classroom will result in them being confiscated.
- Do not delete or add apps onto the school Chrome books
- Do not share your username/password with other students
- Sign out/ Log off before returning school Chrome Books
- Return charger if one is needed. Replacement cost of chargers is \$30 each.
- Check out of school Chrome books is for one period only. They will not be checked out before classes, or during lunch. Return school Chrome books on time.
- Always stay on task

Failing to abide by these care rules will get you a warning first, then a loss of check out privileges for the following day. If continued infractions of rules occur, more severe consequences will be applied. You or your guardian will be financially responsible to reimburse for any loss or damages to school Chrome books or chargers.

I have read and agree to the terms of this contract.
