A Huge Thank you to Croc Coating

As most of you know, we have done a lot of remodeling in the building over the last few years. We were blessed this summer by a new company in town, Croc Coating. They were able to meet our needs in a HUGE way by sanding the concrete floor in the basement and refinishing it with a beautiful surface. If you are needing your concrete coated in your home, garage etc. give them a call, they were wonderful to work with! You can find them at www.croccoatings.com. We also want to thank our many parent volunteers who worked so hard ripping out carpet and laying flooring! We really could not have done this with out you! THANK YOU
