## Serving Our Community During These Unprecedented Times

- Assisting in distributing over 705,000 meals to students.
- Distributing over 6,000 school supply packages to students through meal sites.
- Helping to provide hot spots for students' distance learning.
- Assisting 400+ students and their families with basic needs who were unable to leave their homes.
- Providing teachers with the supplies needed for learning to continue.
- Continuing our Men Building Men and Women Building Women programs through technology platforms to help support our most at need students.
- Continuing our First Library program partnering with the Citrus County Library System through virtual celebrity readers.
- Providing teachers and staff with a token of appreciation for their unwavering dedication to our children.
