

Warranty Statement

Autec Power Systems warrants to the original purchaser that products supplied shall be free from defects in material and workmanship under normal use for a minimum period of 12 months from date of shipment. Additional Warranty Period options are available for Autec Power Systems products as agreed in writing by Autec Power Systems and our customer.

Autec Power Systems will repair or, at its option, provide an equivalent item, or replace the defective product during the stated warranty period. This warranty applies only to the repair or replacement of the product and only when the product is properly handled, installed and maintained according to Autec Power Systems instructions. This warranty excludes defects resulting from improper handling, storage, installation, acts of God, fire, vandalism or civil disturbances.

Purchaser must notify Autec Power Systems in writing within 14 days of noticing the defect. This warranty excludes field labor or service charges related to the repair or replacement of the product. The warranty contained herein shall not extend to any finished goods or spare parts from which any serial number has been removed or which have been damaged or rendered defective

- (a) as a result of normal wear and tear, willful or accidental damage, negligence, misuse or abuse;
- (b) due to water or moisture, lightning, windstorm, abnormal voltage, harmonic distortion, dust, dirt, corrosion or other external causes;
- (c) by operation outside the specifications contained in the product technical datasheet;
- (d) by the use of spare parts not manufactured or sold by Autec Power Systems by the connection or integration of other equipment or software not approved by Autec Power Systems unless the Customer provides acceptable proof to Autec Power Systems that the defect or damage was not caused by;
- (e) by modification, repair or service by anyone other than Autec Power Systems, who has not applied for and been approved by Autec Power Systems to do such modification, repair or service unless the Customer provides acceptable proof Autec Power Systems that the defect or damage was not caused by the above;
- (f) due to procedures, deviating from procedures specified by Autec Power Systems or
- (g) due to failure to store, install, test, commission, maintain, operate or use finished goods and spare parts in a safe and reasonable manner and in accordance with Autec Power Systems instructions
- (h) by repair or replacement of power supplies without factory training.

Warranty Statement - (cont'd)

The warranty contained herein shall not apply to finished goods or spare parts which are sold "as is", as "second-hand", as used", as "demo" or under similar qualifications or to Consumables ("Consumables" is defined as any part(s) of goods or part(s) for use with goods, which part(s) of goods or part(s) for use with goods are consumed during the operation of the goods and which part(s) of goods or part(s) for use with goods require replacement from time to time by a user such as, but not limited to, light bulbs). The warranty contained herein shall not apply, unless the total purchase price for the defective finished goods or spare parts has been paid by the due date for payment.

The warranty contained herein applies only to the original purchaser and are not assignable or transferable to any subsequent purchaser or end-user. This warranty is subject to the shipment of the goods, within the warranty period, to the Autec Power Systems warranty returns department, by the purchaser, at the buyers' expense. If no fault is found, Autec Power Systems will charge the purchaser for the subsequent return of the goods. Autec Power Systems reserves the right to change the warranty period without prior notice and without incurring obligation and expressly disclaims all warranties not stated in this limited warranty.

Autec Power Systems medical-grade power supplies are not intended for use in life-support systems or end-use products.

Please contact Autec Customer Service at sales@autec.com should you have any questions about our products or this Warranty Statement. Thank you for choosing Autec Power Systems.
