### Covid-19 Information

The City of Blackduck has been following the spread of COVID-19 and how it changes our community. As most of you know, the spread has changed everything and we are all working on how this rapidly evolving situation will affect the health, well-being and daily lives of our families and the community.

The City appreciates the direction from Governor Walz and his Commissioners to address this pandemic and the uncertainty it brings. Blackduck is following the Minnesota Department of Health (MDH) and Center for Disease Control (CDC) Guidance.

The City's response to these directives are encouraged to the people of Blackduck. Please stay home if you are sick to reduce the community exposure and slow the spread. Blackduck is working closely with the Public Safety entities (Blackduck Ambulance; Fire and Police Department), Blackduck School, and Beltrami County to ensure the continued safety of the residents and their families.

The proactive and preventative steps the City is taking are as follows:

1. All in-person, non-essential city meetings are canceled or moved to online/phone meetings until April 1.
2. The Blackduck Library will be **CLOSED** beginning March 18, 2020 until further notice.
3. The Pond (Bar Only) will be **CLOSED** beginning 5pm March 17, 2020 through March 27, 2020. Off-sale will remain open 10am-10pm (Monday – Saturday) & 10am-6pm on Sunday and our kitchen will be available for Take-out during these times.
4. City Hall will remain **OPEN**, but we ask residents to limit their in-person visits. Please call instead of coming in person to City Hall. Utility payments may be made by phone, or via the drop box located at City Hall.

Any further updates will be shared on the City Facebook page: Blackduck365.

Please be patient and peaceful in the time. We are all in this together and understand this is difficult. Be supportive of your local businesses, neighbors, and colleagues.

My best to you and your families,  
Administrator Christina Regas
