

## ELECTRIC PIZZA OVEN

The Michelangelo's stunningly stylish appearance matches the amazing performance of the oven itself, making it the perfect model for front of house. These electric ovens are built for high output and will deliver outstanding results for long hours. They are highly energy efficient and are designed and built to last.

This oven features an innovative touch screen control panel with up to 100 programmes, cleaning mode, and end of cooking buzzer. The intuitive control system has the ability to individually control the top and bottom element of each deck with 0% to 100% power.

The oven door has a full length, double glazed, panoramic window and internal lights so you can see the progress of your pizzas whilst cooking. The doors are fitted with a heavy duty compression spring system and seal to optimise heat retention. It has a revolutionary heat regeneration system so when the oven door is opened it immediately circulates the heat back inside to minimise heat-loss.

The cooking chamber is manufactured entirely from stainless steel to ensure a totally hygienic finish and no chance of rust. Like all Cuppone ovens, the Michelangelo has a cordierite stone cooking base to retain heat and ensure a perfect, authentic, Italian stone-baked flavour.

linda-lewis.co.uk

Beautifully designed with a premium finish for front of house, whilst still retaining heavy usage features.

Cuppone ovens are incredibly versatile and can be used to cook so many different dishes including: pasta, jacket potatoes, fish, meat, vegetables, and much more. They are often used to reheat or finish off dishes that have been prepared in advance.

Choose the Michelangelo if you need a high output, highly energy efficient oven that looks stylish for front of house positioning.

## Why choose a Michelangelo?

- Intuitive touch screen control panel
- 100 cooking programmes
- Perfect for front of house
- Heavy duty sprung doors
- Power boost button
- Heat regeneration system
- Highly energy efficient
- Low voltage floodlit lighting system
- 7 day programmer
- Auto cleaning programme
- Electronically adjustable steam vents
