

Pizza Accessories

LUXURY

We like to think of ourselves as a one-stop pizza shop at LLK! Our vast catering equipment offering covers everything from state-of-the-art pizza ovens to small culinary accessories.

We have recently introduced a new and prestige brand of pizza accessories to our existing range; Lilly Codroipo.

Hand made in Italy to extremely high specifications, the elegant Lilly collection is designed with presence in mind; perfect for showing off in a front of house environment.

The range includes pizza peels, scrapers, cutters, oven brushes, spatulas and dough dockers. These attractive items can be purchased individually or as complete luxury kits; available in various styles to suit your individual needs.

Where pizza accessories are concerned, the beautiful Lilly products are the crème de la crème; rising head and shoulders above other brands available on the market.

Lilly have covered all bases with these reliable and professional products, which have been specifically designed to compliment stylish catering equipment; with options available for use with our range of living-flame ovens, as well as our Cuppone range of electric & gas ovens.

With such a wide product variety available, Linda Lewis Kitchens are fully equipped to cater for each and every food service establishment.

These luxury accessories go beautifully with any of our Cuppone or living-flame ovens.
