## ALLIANCE'S SALES TRAINING DAY

This month, we had yet another successful Sales Training Day, this time with Alliance Online Catering Equipment! They received insider insights into our range of catering equipment and even got practical with the kit themselves while making their own pizzas. To book onto the next Sales Training Day on Tuesday 10 March, email us at [kitchens@linda-lewis.co.uk](mailto:kitchens@linda-lewis.co.uk)!

## MY FAVOURITE THING ABOUT LLK

OUR DEVELOPMENT CHEF, FABIO, IS ABLE TO IMPART HIS EXPERTISE TO OUR CUSTOMERS THROUGH HIS CONSULTANCY SERVICES! THESE INCLUDE MENU DEVELOPMENT, STAFF TRAINING AND MORE...

## JANUARY IS THE MONTH OF EDUCATION AT LLK

This month, we were joined by Copley Academy's Hospitality and Catering students for one of our 'World of Work' days. We were also joined by Kaleem from Oldham Sixth Form for a week of work experience! All our guests learned all about each Team LLK member's unique paths to their current roles before releasing their inner chef with some pizza or cake making with Fabio. Do you know someone local to the Oldham area looking for some work experience in marketing, engineering, cooking, sales or admin? Email us at [kitchens@linda-lewis.co.uk](mailto:kitchens@linda-lewis.co.uk) and we'll see how we can help!
