CUPPONE *Giotto*

ELECTRIC PIZZA OVEN

The Cuppone Giotto was the first ever, electric oven with a revolving stone base launched in 2009. Now, the second generation has been released featuring touchscreen innovation. The Giotto guarantees high productivity and withstands comparison with any other type of oven; electric, gas, or wood burning. The Giotto truly is the ultimate in fast food whilst providing the best quality.

Its beautiful aesthetic and stainless steel construction gives an ultra-modern appearance, which seems almost space age. However, it can be tailored to match more authentic styles meaning that the Giotto fits in with any kitchen. Further adding to its style, it boasts a panoramic glass door and internal lights to check progress on your pizzas with a stone-cooking base that guarantees authentic Italian cooking. Its two rotation speeds also make loading and unloading as easy as possible with pizzas cooking in around 2-5 minutes.

The oven easily fits into corner spaces and comes complete with an extraction hood and stand with underneath storage. There is also a digital control panel, which can be programmed to come on automatically, ensuring that there is no need to turn the oven on early.

Despite similarities to the Michelangelo oven, the difference lies in the rotating stone base that reduces cooking time whilst simplifying and speeding up the work of the pizza maker, as they can always be loaded and unloaded from the front.

The second generation
Giotto has landed!

Why choose a Giotto?

- Touchscreen technology
- Elements set up to produce a wood-fired oven finish
- Electric oven with revolving stone base
- Perfect for front-of-house position
- Energy efficient
- Heat regeneration system
- Perfect results every time
- Back up manual controls

The Giotto oven has been manufactured to the highest standard, taking every operational and energy efficiency challenge into account. The oven arrives tilted upright on wheels which allows it to be wheeled through any opening measuring 800w x 1900h. It arrives on site in 3 pieces and can be assembled ready for installation within 1 hour.

Choose the Giotto oven if you have a high output operation, the rotating base can speed up production by up to 20% and makes it easy to fully load and unload the oven, therefore requiring less skill than a traditional deck or living flame oven.

Specifications

Model	W	D	H	Oven Dimensions	Max Pizza Capacity			Loading	Hourly Output
					on base	in pans	Net Weight		
LLKGIOTTO/ BABY	1366	1438	1696	1100mm Ø	7 x 12" or 6 x 14" or 3 x 20"	7 x 10" or 6 x 12" or 3 x 18"	460kg	14.6kw 3 ph only	Approx 120 pizzas
