Luke 6:46-49

Luke 6:24

**Reaching In**-Working on ourselves. Luke 6:46-49 is a story of building your house on the right foundation. Chris shared about true reformation and building our life on the rock, God. He shared four practical steps 1.Come 2. Hear 3.Listen 4. Reflect. Chris encouraged us that when we follow these steps of building our home on God as our foundation, we will be prepared to weather the storm. This is not a perspective that there will be no problems in your life, but hard things will happen and our foundation won't be destroyed. Though our circumstances change, our foundation when it is built on God, it is rock solid. It empowers us to weather the storms of life.
