

March 27, 2020

To the Hawai'i Community:

Thank you very much for all your support! We were so happy to be able to share our fresh fish, caught directly by our fisherman and crew, with all of you. We truly appreciated the nice gestures from all of you, including the cookies, fried chicken, and juice and soda that you dropped off to our line workers. Through March 27, 2020, your proceeds have helped fund over \$30,000 in fresh fish and monetary donations to local food-based charities.

For tomorrow, March 28, 2020, we decided on taking a break from our retail sales to make sure that our employees have a chance to spend time with their families – our entire company over the past week has been dedicated to serving all of you to the best of their abilities, from our Chief Operating Officer/traffic manager, to our Director of Sales/cashier. This will allow our team to regroup and recharge for our last two days of sales on March 30, and March 31.

Thank you for your understanding, we will see you early next week! Eat Fresh and Live Aloha!
