I ..... hereby sign this liability disclaimer form on ...../...../.....

I understand and accept responsibility for all activities the children in my care (attending the party) will be participating in during our time at Canterbury Gymnastics Club on ...../...../.....

I agree to make myself aware of any allergies/sensitives of every individual attending the party by contacting a parent/guardian beforehand (for example anyone that is hypersensitive to audio).

I acknowledge that by signing this disclaimer I agree to not hold the event planners/staff on the premises accountable for any injuries that may occur (the staff present are first aid trained and will provide first aid where needed but will not be held accountable for injuries).

I am aware that while there will be up to 2 members of staff on the premises (depending on the party option you have chosen) throughout the duration of the party it is my responsibility to do the following:

- Check with the children's parents/guardians for any allergies/sensitivities.
- If I feel I will not be able to look after x number of children all at once I will attend with other parents/adults.
- I will ensure if the bouncy castle is being used all shoes will be removed being going on it and that no food, drink or sharp objects are taken on either.
- Be in charge of supervision for all children whilst the bouncy castle is in use.
- Ensure that after eating, at the end of the party, they will not return to play in the gym.

I have read and understood all the information displayed above and will ensure to plan in advance any changes I need to make or information I need to declare to the appropriate personnel.
