This is a great place to learn about organic gardening or share your knowledge with others. We grow organic vegies, flowers, fruit trees and produce our own compost.

Grow your own vegies in a communal plot or lease your own plot.

- Friendly and caring people
- Wheelchair access
- Raised garden beds - Using wicking bed technology
- Take time out for a chat, coffee & tea

Proudly sponsored by YOKINE BAPTIST CHURCH & CITY OF STIRLING
