

## Fully subscribed new issue of shares in WeDontHaveTime AB (publ)

**The subscription period regarding new shares in WeDontHaveTime AB (publ) ("We Don't Have Time" or "The Company") was completed on 18 December 2019. All payments have been made in full and the process of registering the new issue of shares with the Swedish Companies Registration Office has begun. 212 new and existing shareholders have subscribed for 923,076 shares, which means that the company has received SEK 11,999,988 before costs for the issue.**

The new issue was subscribed for the maximum amount of SEK 12 million. Larger investors who subscribed early for shares in the new issue were also offered warrants, free of charge.

*- We are grateful for the trust that both existing and new investors have in the Company. At the end of 2019, we noticed an increased interest from professional investors in Europe, which confirms that we are a recognized international player with a global brand. In 2020, we will focus on further developing our platform and scale up our commercial offer to companies and organizations that want to be involved in the transformation journey to a fossil free society, says Ingmar Rentzhog, CEO of We Don't Have Time.*

After the new issue of shares and the warrants have been registered with the Swedish Companies Registration Office, the number of B-shares in We Don't Have Time will increase with 923,076 to a total of 4,130,383 B-shares. In addition to above, there are currently 11,550,000 strong voting A-shares with no right to dividend.
