Sponsor Diversity & Inclusion Scholarship Recipient

We believe that true innovation in React Native depends on hearing from, and listening to, people with a variety of perspectives, backgrounds and experiences. We want our conference, the community, and companies who participate in it, to include, encourage, and recognize people of all races, ethnicities, genders, ages, abilities, religions, and sexual orientation.

Your contribution helps sponsor applicants' tickets to the conference and full or partial travel and accommodations assistance.

A LA CARTE | **$1,200**
