Market Leading Solutions

In a global economy characterised by uncertainty and regulatory pressure, Financial Institutions and Commercial Entities are exposed to a growing array of complex threats. Led by an underwriting team with over 70 years of combined experience, Leopanthera offers innovative solutions for organisations worldwide.

About

Based in Lloyd's, the heart of the London insurance market, Leopanthera is a Lloyd's Coverholder and MGA specialising in insuring Financial and Commercial entities of various sizes worldwide.

With over six decades experience of building and managing successful portfolios and client and broker relationships within the London and international markets, the members of our underwriting team aim to offer market leading financial risk solutions.

Leopanthera was established in October 2017 and now services over 2000 clients across 72 countries.

Leopanthera is part of Innovisk Capital Partners.

Capacity

Leopanthera is backed by A+ Rated Lloyd's Syndicates and insurance companies including Canopus, Everest, Axis, Hamilton, Everest Re (Miami), Axis Specialty Europe and Patria Re.

Claims

We are bound by the terms and conditions of the Lloyd's of London claims office. All claims are agreed by the leader of the consortium, on its behalf. The leader has a team of more than ten professionals handling financial lines claims daily.
