

ANTI-BURST FITNESS BALL

PRODUCT FEATURES

- Use in your workouts to build core strength, improve posture, and advance muscle tone.
- Reduce muscle soreness and develop flexibility by using the ball to stretch and lengthen your muscles.
- Used to work the deep stabilizers, protecting the spine and preventing back pain.

DURABILITY & WARRANTY

All Anti-Burst Fitness Balls have a 6 month warranty under normal wear and use. Material is made from an anti-burst polyvinyl & a latex free and non-slip rubber surface.
