## **HUB is a not for profit organization that advocates for and engages with our diverse community.**

We offer legal services and community centred neighbourhood activities. We are open to all members of the community but focus our services where we can have the greatest impact. We work in flexible ways across Inala and the south western suburbs of Brisbane and surrounds.

We offer a blend of supports through our neighbourhood centre and legal services working together with other services in a welcoming community space. Our location allows for a holistic response to community needs and more effective support for people facing adversity.

**Our vision is to be a welcoming place for a just and inclusive community.**
