3 Bed | 2 Bath | 1 Living | 2 Garage

A home with huge street appeal, it is just as gorgeous on the inside as the outside. This clever design is perfect for anyone wanting their garage at the rear of their section. With a large open plan sunny living area, you will enjoy this home all year round. The master bedroom has a large WIR and a beautiful tiled ensuite. The guest bedrooms are separate, making for efficient living when only the master bedroom is in use.
